

Remembering those
from Dingle,
Liverpool, who
served and died in
World War I and
World War II.

11th November 2016

Information contained in this booklet is the result of researching the Commonwealth War Graves Commission website.

The Commission commemorates the 1,700,000 men and women of the Commonwealth forces who died in the two world wars.

Their cemeteries, burial plots and memorials are a lasting tribute to those who died in some 154 countries across the world.

Their Register records details of Commonwealth war dead, so that graves or names on memorials can be located.

***'They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them'.***
